EXAMINER'S AMENDMENT

This application is in condition for allowance except for the presence of claims 7, 9-16, and 20, directed to Species non-elected without traverse whose parent claims have been cancelled. Accordingly, claims 7, 9-16, and 20 have been cancelled.

Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The following is an examiner's statement of reasons for allowance: Claim 18 is allowable because it has been rewritten in independent form as suggested in the prior Office Action. Claims 19 and 21-23 depend from allowable claim 18 and there are no applicable non-art based rejections.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peter deVore whose telephone number is 571 272-4884. The examiner can normally be reached on Monday to Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Justine Yu can be reached on 571 272-4835. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
